Compact and Lightweight Design

Weighing only **3.03 oz (86g)**, the SS-0855 is designed for the modern outdoor enthusiast. Its closed length of **3.54" (90mm)** makes it easy to carry in your pocket or pack without adding unnecessary bulk. When fully opened, it extends to **8.07" (205mm)**, providing ample reach for comfortable use. The total thickness of **1.14" (29mm)** and height of **1.181" (30mm)** ensure that this camping tool remains compact and user-friendly.

Durable Construction

Crafted from high-quality **2CR13 stainless steel** for the main body and **420 stainless steel** for the handle, the SS-0855 is built to endure the rigors of outdoor use. Stainless steel is known for its corrosion resistance, making this tool a reliable choice for various environments. The **satín finish** on the main body adds an aesthetic touch while also enhancing durability.

Ergonomic Handle Design

The handle of the SS-0855 is designed with ergonomics in mind, ensuring a comfortable grip while in use. The silver finish not only looks sleek but also provides a modern touch that appeals to outdoor enthusiasts of all ages. Although the blade is not locking, the design allows for a smooth transition between functions, making it easy to switch between tasks.

Ideal for Bulk Orders and Promotions

The SS-0855 is perfect for bulk promotional orders, with a minimum order quantity of **3000**. Retailers like **Publix**, **Sam's Club**, and **Costco** can offer this multifunctional camping tool as a part of their outdoor gear lineup. Its affordability, combined with its six-in-one functionality, makes it an attractive option for consumers looking for reliable outdoor solutions.
